SUBJECT: NIGERIA: DEMARCHE DELIVERED TO START AIR MARSHAL  
OPERATIONS

REF: A. STATE 90758

(SBU) Subject demarche was delivered September 17 to Nigerian Civil Aviation Authority Director General Dr. Harold Demuren. Demuren has a thorough understanding of the air marshal request and reviewed the background information and memorandum of understanding (MOU) provided by EconOff. Demuren said that, at a first reading, the MOU has all the components that have been discussed, specifically how the weapons would be handled and that Nigeria is not required to employ air marshals on Nigerian flag carriers. Demuren did request that the Transportation Security Administration provide air marshal training to Nigeria in early 2010. He said he has no difficulty signing the MOU and will seek agreement from his legal office and the Minister. (NOTE: the Minister has a copy of the background and MOU).
